## Frederick County Disclosure

**LEGAL REQUIREMENT.** All Contracts of Sale for real property in the State of Maryland are required to be in writing to be enforceable. You have the right to have legal counsel review all documents and represent you. The Broker/agent is required to submit all written offers to the seller. An offer to purchase is not a contract until all terms and conditions have been agreed to in writing by the Buyer and Seller. The terms of a Contract of Sale cannot be altered after it has been accepted by all parties unless mutually agreed upon in writing by the Buyer and Seller. Therefore, the Buyer is advised that any contingencies or conditions of the sale should be a part of the original offer. The accepted Contract of Sale is a legally binding and enforceable document.

**EQUAL HOUSING.** The Property is offered in compliance with Title VIII of the Civil Rights Act of 1968 (as amended by the Fair Housing Amendments of 1988) and applicable Maryland and local laws with respect to race, color, sex, religion, national origin, physical and mental handicaps, familial status, age, sexual orientation, marital status and such other protected classes.

**AIRPORTS, AIRSTRIPS & HELIPADS.** Buyer acknowledges that there are properties located within a three (3) mile radius of airports, airstrips, heliports or helipads and it is the Buyers' responsibility to review any appropriate maps, plans or other information which they deem appropriate prior to entering into a Contract of Sale. The Frederick Municipal airport is located at 111 Airport Dr. E., Frederick, MD.

**CITY OF FREDERICK SALE OF REAL PROPERTY ORDINANCE.** The City of Frederick Disclosure upon Sale of Real Property Ordinance (the City of Frederick Code Section #12.5-3) requires the inclusion of the City of Frederick Disclosure Statement as a part of all Contracts of Sale for real property located within the City of Frederick limits.

**FREDERICK COUNTY RIGHT TO FARM ORDINANCE.** The Frederick County Right to Farm Ordinance (Frederick County Ordinance #96-23-175) requires the inclusion of the Right to Farm Disclosure Statement as a part of all Contracts of Sale for real property within Frederick County.

**HAZARDOUS MATERIALS.** There are many hazardous materials (i.e., asbestos, radon, underground storage tanks, etc.) that could affect any property. The Brokers and their agents will generally have no knowledge of these hazardous materials and do not have the technical expertise to ascertain or advise you of their presence or significance. It is the Buyer's responsibility to consult any experts they deem appropriate prior to entering into a Contract of Sale.

**HOME WARRANTIES.** A limited warranty may be available for purchase on the Property. Such limited warranty may provide some financial reimbursement in the event certain named components and or appliances become inoperable or fail during an agreed upon period of time (usually one year from settlement).

**SETTLEMENT.** All persons to be in title and/or responsible where a mortgage is to be created should be present at the time of settlement and will be required to provide photo identification. A lender usually requires, prior to settlement, a fully paid insurance policy, termite and other certifications when improved property is being purchased. The Buyer should have wired funds, bank check, or certified check for payment of estimated settlement costs and balance due under the Contract of Sale. If uncertain of the amount, Buyer should contact the settlement company 24-48 hours before settlement. Buyer should establish utilities in Buyer's name commencing with the day of settlement or occupancy.

**MASTER PLANS AND ZONING ORDINANCES.** Buyers have the right to review any applicable master plans, zoning ordinances, or other maps and information relating to planned land uses, roads, highways and the location of parks and other public facilities affecting the property. In addition the Buyer should check historic district guidelines and disclosures, if applicable. This information may be found at most local, county or state offices such as the Parks and Recreations, Planning and Zoning, etc.

**CONDOMINIUM ASSOCIATION APPROVAL.** If a sale is subject to the approval or right of first refusal of the Council Unit Owners or Board of Directors of a Condominium, the Seller must immediately present the Contract of Sale to such Council or Board for its action or consideration. In the event the sale is not allowed by the appropriate Council or Board, the Contract of Sale shall be null and void.

**COMMUNITY DEVELOPMENT AUTHORITY DISTRICTS.** In Fredrick County, the vendor of a property that is subject to a tax or fee of a Special Taxing District as authorized in Article 23A, §44A(B) of the Code or by a Community Development Authority as authorized in § 2-7-125(B) of the Public Local Laws of Frederick County may not enforce a contract for the sale of the property unless within 20 calendar days after entering into the contract, the Purchaser of the property is provided the following information in writing.

This sale is subject to a tax or fee of a Special Taxing District or Community Development Authority. State law requires that the Seller disclose to you at or before the time the contract is entered into, or within 20 calendar days after entering into the contract, certain information concerning the property you are purchasing. The content of the information to be disclosed is set forth in § 10-704 of the Real Property Article of the Maryland Annotated Code and includes the amount of the current annual tax or fee of the Special Taxing District or Community Development Authority, and a statement of whether any tax or fee of the Special Taxing District or Community Development Authority against the property is delinquent.

## Understanding Whom Real Estate Agents Represent

Before you decide to sell or buy or rent a home you need to consider the following information:

### Agents Who Represent the Seller

**Seller's Agent:** A seller's agent works for the real estate company that lists and markets the property for the sellers, or landlords, and exclusively represents the sellers or landlords. That means that he or she may assist the buyer or tenant in purchasing or renting the property, but his or her duty of loyalty is only to the sellers or landlords. The seller pays the seller's agent's fees as specified in a written listing agreement.

**Cooperating Agent:** A cooperating agent works for a real estate company different from the company for which the seller's agent works. The cooperating agent can assist a buyer or tenant in purchasing or renting a property, but his or her duty of loyalty is only to the sellers or landlords. The cooperating agent's fee is paid by the sellers or landlords through the seller's agent's company.

### Agents Who Represent the Buyer

**Presumed Buyer's Agent (no written agreement):** When a person goes to a real estate agent for assistance in finding a home to buy or rent, the agent is presumed to be representing the buyer and can show the buyer properties that are *not* listed by the agent's real estate company. A presumed buyer's agent may *not* make or prepare an offer or negotiate a sale for the buyer. The buyer does *not* have an obligation to pay anything to the presumed agent.

If for any reason the buyer does not want the agent to represent him or her as a presumed agent, either *initially* or *at any time*, the buyer can decline or terminate a presumed agency relationship simply by saying so.

**Buyer's Agent (by written agreement):** A buyer or tenant may enter into a written contract with a real estate agent which provides that the agent will represent the buyer or tenant in locating a property to buy or rent. The agent is then known as the buyer's agent. That agent assists the buyer in evaluating properties and preparing offers, and negotiates in the best interests of the buyer or tenant. The agent's fee is paid according to the written agreement between the agent and the buyer or tenant. If you as a buyer or tenant wish to have an agent represent you exclusively, you must enter into a written buyer agency agreement.

### Dual Agents

The possibility of **dual agency** arises when the buyer's agent and the seller's agent both work for the same real estate company, and the buyer is interested in property listed by that company. The real estate company, or broker, is called the "dual agent". Dual agents do not act exclusively in the interests of either the seller or buyer, or landlord or tenant, and therefore cannot give undivided loyalty to either party. There may be a conflict of interest because the interests of the seller and buyer may be different or adverse.

If both seller and buyer, or landlord and tenant, agree to dual agency by signing a Consent For Dual Agency form, then the real estate company (the "dual agent") will assign one agent to represent the seller or landlord (the seller's "intra-company agent") and another agent to represent the buyer or tenant (the buyer's "intra-company agent"). Intra-company agents may provide the same services to their clients as exclusive seller's or buyer's agents, including advising their clients as to price and negotiation strategy, provided the clients have both consented to be represented by dual agency.

If either party does not agree to dual agency, the real estate company may withdraw the agency agreement for that particular property with either the buyer or seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by an agent from another real estate company. If the buyer's agreement is terminated, the buyer or tenant may choose to enter into a written buyer agency agreement with an agent from a different company. Alternatively, the buyer or tenant may choose not to be represented by an agent of his or her own but simply to receive assistance from the seller's agent, from another agent in that company, or from a cooperating agent from another company.

No matter what type of agent you choose to work with, you have the following rights and responsibilities in selling or buying or renting property:

>Real estate agents are obligated by law to treat all parties to a real estate transaction honestly and fairly. They must exercise reasonable care and diligence and maintain the confidentiality of clients. They must not discriminate in the offering of properties; they must promptly present each written offer or counteroffer to the other party; and they must answer questions truthfully.

>Real estate agents must disclose all material facts that they know or should know relating to a property. An agent's duty to maintain confidentiality does not apply to the disclosure of material facts about a property.

>All agreements with real estate agents should be in writing and should explain the duties and obligations of the agent. The agreement should explain how the agent will be paid and any fee-sharing agreements with other agents.

>You have the responsibility to protect your own interests. You should carefully read all agreements to make sure they accurately reflect your understanding. A real estate agent is qualified to advise you on real estate matters only. If you need legal or tax advice, it is your responsibility to consult a licensed attorney or accountant.

Any complaints about a real estate agent may be filed with the Real Estate Commission at 500 North Calvert Street, Baltimore, MD 21202. (410) 230-6200.

## Consent For Dual Agency

*(In this form, the word "seller" includes "landlord", "buyer" includes "tenant", and "purchase" or "sale" includes "lease.")*

### When Dual Agency May Occur

The possibility of dual agency arises when:

- > The buyer is interested in a property listed by a real estate company; and
- > The seller's agent and the buyer's agent work for that same real estate company.

Before the buyer and seller can proceed to be represented by a dual agent, they must both sign a Consent for Dual Agency. If they have previously signed a Consent for Dual Agency, they must affirm their consent for the sale of a particular property to a particular buyer.

### Your Choices Concerning Dual Agency

When a dual agency situation in fact arises, the buyer and seller have the following options:

- 1. Consent in writing to dual agency.** If all parties consent in writing, the real estate company (the "dual agent") will assign one real estate agent from the company to represent the seller or landlord (the seller's "intra-company agent") and another agent from the company to represent the buyer or tenant (the buyer's "intra-company agent"). Intra-company agents may provide the same services to their clients as an exclusive seller's or buyer's agent, including advising their clients as to price and negotiation strategy.
- 2. Do not consent to dual agency.** If either the buyer or the seller, or landlord or tenant, refuses to consent in writing to dual agency, the real estate company must terminate the agency agreement for that particular property with either the buyer or the seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by an agent from another real estate company. If the buyer's agreement is terminated, the buyer or tenant may choose to enter into a written buyer agency agreement with an agent from a different company. Alternatively, the buyer or tenant may choose not to be represented by an agent of his or her own but simply to receive assistance from the seller's agent, from another agent in that company, or from a cooperating agent from another company.

### Important Considerations Before Making a Decision About Dual Agency

☞ A dual agent does not exclusively represent either the seller or buyer and there may be a conflict of interest because the interests of the seller and buyer may be different or adverse.

☞ As a dual agent, the real estate company does not owe undivided loyalty to either the seller or buyer.

## Duties of a Dual Agent

Like other agents, dual agents and intra-company agents must keep confidential information about a client's bargaining position or motivations unless the client gives consent to disclose the information. For example, a dual agent or intra-company agent may not tell the other party, or the other party's agent, without consent of the client:

- >anything the client asks to be kept confidential\*,
- >that the seller would accept a lower price or other terms,
- >that the buyer would accept a higher price or other terms,
- >the reasons why a party wants to sell or buy, or
- >that a party needs to sell or buy quickly.

\*However, like all agents, a dual agent and intra-company agent must disclose any material facts about a property to the other party.

## How Dual Agents Are Paid

Only the dual agent receives compensation on the sale of a property listed by that company.

If a financial bonus is offered to an agent who sells property that is listed with his company, this fact must be disclosed in writing to both the buyer and seller.

---

I have read the above information, and I understand the terms of the dual agency. I understand that I do not have to consent to a dual agency, and that if I do not consent, there will not be a dual agency. I hereby voluntarily consent to have

RE/MAX 100 act as dual agent for me as the:  
(Firm Name)

seller in the sale of the property at: 10297 Quail Trail
